Ice Capades Newest Skating Personality Charlene McLaren

Charlene McLaren, newest skating personality with Ice Capades, which opens at the Eastern States Coliseum, West Springfield, on Wednesday, Nov. 13th, for just 10 nights and 8 matinees is a girl who knows what she wants and works to get it.

Born in San Mateo, Calif., she started skating at eleven, which is a fairly late age for anyone seriously thinking of becoming a competitive skater.

One year after starting her figure skating lessons she entered and won the Pre-Novice division of the Central Pacific Coast Championships—this did it. She was determined that she would go on. She set her aims high and attained most of them before she left the world of "simon pures" for a rewarding career as a professional skater with Ice Capades.

Her dedication to her skating comes from her mother and father who are intensely interested in ice skating and are active working members of the Walnut

Creek Winter Club, where the family presently resides.

Charlene, who became a gold medalist in 1966, highlighted her amateur career by winning the Gold Medal at Sun Valley at an invitational meet, where she bested some of the finest women skaters in the country.

As is to be expected with a healthy athletic young lady, her hobbies consist mainly of associated sports, hiking, camping, sailing and surfing. She is an avid seamstress and makes most of her own personal wardrobe.

She has an AA degree from Diablo Valley Junior College and while she is earning her way with a career in Ice Capades, she (Please Turn To Page 7)

PEOPLE and POLITICIANS

Walter T. Kerr, State Representative from the 9th Hampden District, today took issue with his Republican opponent Leslie Moore, who in a recent news article attempted to convince the voters of the district that votes cast for other candidates in the recent primary were directly in opposition to Mr. Kerr.

Kerr, a former 12 year member of the Agawam Board of Selectmen stated in part: "It's just not true—I do not visualize that the Democratic votes cast for the other democratic candidates, in an honest, intra-party battle in the primary are now going to be cast for Mr. Moore on election day."

Mr. Kerr, who served 20 years in public life, further stated, "If Mr. Moore's memory will serve him right—the Agawam Democrats and Republicans combined to defeat Mr. Moore in 1966—even though the Democratic party had a similar fight in the primaries that year."

It is the opinion of local political circles that the voters in 1966 chose Mr. Kerr as their State Representative because of his qualifications and previous service to the public and to his town. Mr. Kerr, since the 1966 election, has further added to his experience in government by serving as State Representative for the past two years. He is now a member of committees on Election Laws and Natural Resources and Agriculture. Kerr also serves on two special study committees—Milk Prices and Connecticut River Pollution.

Mr. Kerr is in receipt of a citation for service to veterans from the State American Legion and has been endorsed by Labor in his quest for continuation in office.

Kerr, a long term town meeting member, concluded his statement with, "The voters of the 9th Hampden District should recognize that experience in government is high on the list of importance for the office of State Representative."

representative. Mr. Moore, in 1966, was defeated at the polls because of his lack of experience in government. Now, two years later, Mr. Moore still has not added one iota of government experience to his record. I urge the voters of Agawam and the district to cast their vote for a proven public servant."

The Agawam Junior Women's Club will launch a service project for the well being of the Senior Citizens of their community. The goal in mind is to establish a "Life Line" for shut-ins who live alone and have no relatives near-by to keep in daily contact with

them. By calling these people each day to speak with them briefly, we are assured that they are in good health and able to function alone.

Should any Senior Citizen in the Agawam and Feeding Hills area care to be contacted each day by a member of the Agawam Junior Women's Club, please contact Mrs. James F. Fenton, Jr.

YOUR VOTE A Precious Inheritance

Casting a ballot for a political candidate of your choice is not only the priceless right of every American citizen, but a major responsibility as well. All Americans should remember that in November.

Every four years, you, as a voter, are asked to make a major decision which vitally affects the welfare of this nation. Before that day in November arrives, you will be swept up into a whirlwind of political activity. As a voting citizen you will be deluged with promises and pleas by a multitude of candidates on every possible occasion.

It is your task to unravel from this verbal barrage of statistics, your final selection on election day, when you duly exercise your right and responsibility as a citizen by casting your vote.

Today, many Americans are bemused by the political promises of the candidates. But you, your family and your friends should never forget that voting is actually a serious matter. It is man's way of controlling his own destiny by having a true share in shaping the government.

In many countries there would be no such guarantee. The political guidelines would be strict and enforced by armed might. If you did not conform you would face imprisonment or execution.

Today, with all the problems of our complex society uppermost on the American voter's mind, your vote never carried more weight or more significance in shaping the future of this country. Your vote will keep this country forging ahead to even greater heights in the tradition of our American heritage.

Many people, who might not otherwise vote, may be induced to do so once they note that a veterans organization such as the V.F.W. is putting forth a 100% effort to make this a record year for voter turnout.

We may not have the most perfect system of government that can possibly be devised, but to date it appears to be far better than any system yet known to man. It has been achieved by free people expressing their position at the ballot box.

It is up to you to set an example. Don't count on the other person to get out and vote. He may be counting on you. It is your future as well as John Doe's. Why let him choose the road you will travel. He doesn't make your other daily decisions for you. Are you willing to let him make a choice for you that comes only once every four years?

It is your vote as much as the neighbor down the street. Get out and exercise your greatest right. It is your way to continue having a free and great country.

If it is worth dying for, it is certainly worth your vote.

No. 1935

The first annual Halloween Party for children of the Moose was a great success. A great deal of credit goes to Buddy Baker, chairman of the games and all his helpers. The decorations under the able hands of Ernie Dumond were truly authentic and set the mood for the whole evening. The refreshments included home-baked cakes, cookies, soda, ice cream . . . "Thank You" wives of the Moose.

Prize for the Best Dressed went to Kathy Mika; Funniest, Hobo Joe alias Bryan Ryan. In the games the boys 1-5, peanut race winner was Bryan Ryan; girls 1-5 was Karen Mitchell. Bobbing for apples, boys 6-8 winner, Gerry Kane; girls 6-8 winner, Kathy Bray, and Tina Mitchell. Kangaroo race—boys, Gerry Kane; girls, Robin Smith. Balloon race for boys 1-5, winner, Teddy Fydenkevez; girls, Kathy Mika. Clothes basket, boys 1-5, Ernest Dumond; girls, Karen Mitchell.

The pieeating contest was blueberry with whipped cream, winners for the 6-8 year old boys was

Chris Waterman and Stephen Bonesteel; girls winner was Shirley Smith.

In the girls kangaroo race for 6-8, Tina Mitchell won. In apple bowling girls 9-12, Gerry McNabb won and for the boys, Mike Fydenkevez. The balloon race for boys 1-4 had Bryan Ryan the winner. The final game of the evening was hot dogs smeared

with mustard on a string to be eaten no hands. For the boys 9-12, Mike Fydenkevez won, Boys 6-8 Chris Waterman. After all this a Grand March around the hall to the table loaded with goodies.

A special word of thanks to two men who had the hardest job—judging, Charlie Leglos and Ernest Parent . . . HAPPY HALLOWEEN!

Our thanks also to Safety Officer Harold Burnett who showed a very good film of safety to the children, stressing how important it is to be careful when walking and playing near the road.

Don't forget the supper Nov. 9th!

QUESTION NO. 1
PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 16, 1965, received 210 votes in the affirmative and 26 in the negative, and in a joint session of the two branches held May 10, 1967, received 220 votes in the affirmative and 9 in the negative?

SUMMARY
The proposed amendment of the Constitution increases from five days to ten days the period of time of the Constitution gives the Governor to act upon measures passed by the Legislature and submitted to him for approval. No other changes are made in the several Constitutional provisions relative to action by the Governor upon such measures.

QUESTION NO. 2
PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held August 30, 1966, received 188 votes in the affirmative and 46 in the negative, and in a joint session of the two branches held May 10, 1967, received 174 votes in the affirmative and 78 in the negative?

SUMMARY
The proposed amendment of the Constitution authorizes the Legislature to impose an income tax graduated according to total income, and authorizes the granting of reasonable exemptions, deductions and abatements, as an alternative to the exercise of the Legislature's existing power to tax income under Article 44 of the Amendments to the Constitution.

Without limiting the foregoing authorization, the proposed amendment permits any such tax to be imposed at a uniform percentage of an individual's federal income tax liability or at graduated rates applied to his total income taxable federally, and it permits reasonable variations of any federal provision. It requires that the graduated rates, exemptions, and deductions be set without regard to the kind of income being taxed.

QUESTION NO. 3
PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held July 20, 1966, received 225 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held June 15, 1967, received 210 votes in the affirmative and 2 in the negative?

SUMMARY
The proposed amendment of the Constitution defines the circumstances in which a Governor's inability to perform his functions shall cause his office to become vacant, and it establishes a procedure for making the necessary determinations. The office will become vacant following a declaration of disability by the Governor himself or by the Chief Justice and a majority of the Associate Justices of the Supreme Judicial Court, or such other body as the Legislature may provide. The vacancy will terminate four days after the Governor declares that no disability exists, unless (1) within that period the Chief Justice and majority of the Associate Justices, or such other body provided by the Legislature, should make a contrary declaration and (2) within another stated period the Legislature, by two-thirds of each branch present and voting, then determines the issue contrary to the Governor's declaration.

The same procedure will also apply to a Lieutenant Governor who in the case of a vacancy is performing the Governor's duties. The proposed amendment also requires the election of a Governor for the unexpired balance of the four-year term if a vacancy in the office of Governor as described in the proposed amendment continues for a six-month period expiring more than five months prior to a biennial state election other than an election for Governor.

QUESTION NO. 4
LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, upon which the House of Representatives did not vote and upon which the Senate did not vote?

SUMMARY
The proposed law provides that the official ballot in the biennial State election for the year 1970 shall contain a question asking the voters whether there shall be a convention in 1971 to (1) revise, alter or amend the constitution of the Commonwealth on the following subjects, insofar as they relate to the structure of government, and no others; the Executive Branch; the General Court; the Executive Council; the government of cities, towns and counties in their relationship to each other and to the government of the Commonwealth; (2) simplify and rearrange the constitution, and (3) provide methods of amendment thereof. The question will state that the convention shall not consider or propose any measure which relates to the Massachusetts Declaration of Rights, the provisions of the Massachusetts constitution concerning the "Judiciary Power" (other than provisions respecting the Executive Council), or any of the excluded matters enumerated in Article XLVIII, II, Section 2 of the Massachusetts constitution.

LEGAL NOTICES

chusetts constitution. The question will fix the number of delegates to the convention at 150, of whom 20 members shall be members of the General Court; the remaining 130 members shall be elected by the voters in the manner summarized below. The question will also state that the convention shall conclude its business not later than 120 days from its first session.

The proposed law provides that if a majority of the votes on the foregoing question is in the affirmative, the convention shall be held in July, 1971, to revise, alter or amend the constitution on the matters enumerated above only. The House of Representatives and the Senate shall each elect as delegates 10 of its members, not more than 6 from each branch coming from the same political party. Of the remaining 130 delegates, 10 shall be elected at large and 120 shall be elected from the 40 senatorial districts, 3 from each.

Provision is made for the manner of nominating and electing these 130 delegates, without party or political designation, for filling vacancies occurring in the position of any delegate, from whatever source chosen, and for the conduct of the convention's business.

Any revisions, alterations and amendments of the Massachusetts constitution adopted by the convention shall be submitted to the people at the State election in 1972 for their ratification and adoption in such manner as the convention may direct. If a majority of the people voting thereon ratify or amend the constitution, the constitution shall be deemed to be changed accordingly.

The proposed law also provides that if the vote on the question to be submitted at the biennial State election in 1970 is in the affirmative, the Governor shall appoint a preparatory committee of 5 members to compile data to aid the convention in the discharge of its duties. Each member of the commission shall receive compensation of \$10,000 and the commission may expend a sum not in excess of \$200,000, as the Governor may approve, for its expenses.

Center Library Addition Information

The majority of the Agawam Board of Library Trustees wish to make a statement in reply to the misrepresentation of facts printed Oct. 24, 1968 in this newspaper. The statement made by Mrs. Harriet Keogh, a member of the Library Board, is not true and is detrimental to the character of the Library Board of Trustees.

The addition to the Center Library has not been postponed or shelved, as so stated. Bids are going out within the week, and as soon as these are received and approved, construction will begin. Mr. David Carlson, architect, and Mr. Robert Hall, consulting engineer, did not bid on a building before the unanimous vote of the Library Board selected them as architect and consulting engineer of the addition. Therefore the statement is untrue that they could not hold to their original bid.

When the Library Board interviewed three candidates for the addition, the firm officially stated a final bid as this would have been impossible without final approved plans and bids from general contractors. The firms were judged on their professional ability. All three knew of our limited (\$50,000) amount of money and this is the only official limitation. In interviews, all three felt that a building could be built for \$42,000-\$45,000 and various ideas were generally discussed. Within the time of money voted and the final bids of the addition, construction costs went up 15%, many unforeseen problems (new furnace, extra heavy reinforcing of original foundation, etc.) arose. Various extras the Whole Board and Mr. Francis Keogh, Library Consultant for interior furnishings, added, helped to increase costs.

The whole Board must take full responsibility for perhaps losing sight of the original aim, that the building was to be an addition only. The apparent lack of interest and support of the town for a brand new building, on a site presented before the March, 1968 town meeting led the Board to try to include the functions of a main library into a building which was to be merely an addition, to alleviate the crowded conditions of our library system. Since our circulation is increasing about 30% per month, an addition and a new central library are desperately needed. The present plans are more than adequate for the addition which was originally planned.

Mrs. Keogh is misrepresenting facts and placing the Board of Library Trustees, Mr. Carlson, Mr. Hall and Mr. Alfred Casella (one of the firms considered, the other firm was Design Alliance of Boston) in positions which are unfavorable to their professional reputations. It is time that the people of Agawam know that Mrs. Keogh has consistently tried to block the other members of the Library Board in almost all moves toward progress for the library system in Agawam. She has voted against the Board on important issues, and even on merely routine matters or she has voted only with reservations. Mrs. Keogh was not in favor of the addition, originally, and in the final vote it is noted that she voted for the addition "with reluctance." This is a political year for Mrs. Keogh and perhaps she is electioneering.

Mrs. Keogh is secretary in the Massachusetts Library Trustees

Association and also the New England Library Trustees Association and it would appear that her interests are more statewide than townwide. The trustees have listened to Mrs. Keogh's facts, figures, etc., garnered from books, reports, etc., about what should be the aims and goals of the Agawam Library System. She has consistently refused to consider facts in the light of what is best for Agawam and what the townspeople need and want. She has consequently opposed almost all progress the Board has made within her tenure. Any attempts by the Board members to reason or to make feasible compromises have for the most part been made impossible by Mrs. Keogh's emotional scenes at Board meetings.

Mrs. Keogh stated that she cast the lone vote against Mr. Carlson and Mr. Hall. This is not true and is again an instance of facts being twisted for various reasons by Mrs. Keogh. The vote was unanimous and then at the next meeting Mrs. Keogh rescinded her vote. These facts are documented in official minutes of the Library Board meetings. It would seem that an area such as library development and progress in Agawam should be above and beyond individual concerns and it may be noted that the majority of the Library Trustees have tried hard to accomplish this aim.

This article is a correction to the previous article printed Oct. 24, 1968 in this newspaper.

V.F.W. Post 1632 and Auxiliary Bulletin

By ANNA D. BISSENETTE

HOSPITAL ACTIVITIES

In the Sept. 5th issue, you were told about the plans for the Personalized Christmas Gift Program so at the Oct. 22nd meeting the Agawam Auxiliary #1632 sent a check to be used for the veterans at Leeds. Chairman Alice Hilliard wished the money early so that the gifts could be properly wrapped for each patient. We also sent our check to the Dept. of Massachusetts V.F.W. "Health and Happiness Fund." We really are getting our Christmas projects completed well in advance this year.

Were you at the "Fall Orientation and Indoctrination Course" last night? (Oct. 30) This also was published in the Sept. issue so please clip and save the notices in order to remember the dates. ALL VAVS Representatives and Regularly Scheduled Volunteers are requested to make an earnest effort to recruit new volunteers. This course is necessary for the volunteer hours to be properly credited to our group for the awards that are given once a year at the special "Awards Dinner."

Large size OATMEAL and CORNMEAL boxes are needed for OCCUPATIONAL THERAPY Projects. Please drop them off at the Recreation Hall at Leeds.

Toimmi Tammi, Hospital Chairman for Post #1632 has notified the Auxiliary of the Bingo dates at Holyoke Soldiers Home as being the first Tuesdays of the month, Nov. 5th, Jan. 7th and Feb. 4th at 7:30 p.m. Also at Leeds a joint party between Agawam Post and Unit and Southwick Post on Dec. 6, Friday. We always need homemade cupcakes for the veterans so can you donate a dozen or two? You need not be a member of the organization, merely a generous, helpful person who will bake cupcakes and get them to the V.F.W. early in the day.

AROUND THE POST HOME

The Auxiliary reports that the clams and kitchen are doing a nice business (very nice on Oct. 25th according to the girls on duty that night) and Commander Harpin reported a full house on Fridays. How about a larger attendance at the meetings? Every first and third Mondays. Working on Nov. 1, Anna Hayes and Anna Bissonnette; clams and food every Friday except Dec. 27th.

In announcing the names of members who are on the Board of Directors, the name of James Hayes was omitted and we are sorry as Jim has been active since this new system went into effect.

Ida Bondi has paid her dues but is still not well enough to attend the meeting. Why don't you ladies bring the meeting to

her once? Mary Stellato still confined to 550 Mill St., cards would be nice.
